

DANIYAL SALEEM

Computer Systems Engineering Student

Lakki Marwat, KPK, Pakistan

+92-318-4935860 | daniyalsaleem.becsef25@iba-suk.edu.pk

OBJECTIVE

Motivated and detail-oriented Computer Systems Engineering student at Sukkur IBA University with a strong academic record (GPA: 3.42). Passionate about software development, embedded systems, and cybersecurity. Eager to apply technical skills in real-world projects and contribute to innovative engineering solutions.

EDUCATION

B.E. Computer Systems Engineering | Sukkur IBA University | 2025 - Present

- Currently in 3rd Semester | CGPA: 3.42
- Relevant coursework: Java, C++, Digital Logic Design, Data Structures, Electronics

FSc (Pre-Computer Science) | Govt. Post Graduate College Lakki Marwat | Graduated 2023

- Pre- Computer Science studies with focus on Mathematics, Physics, and Computer Science

TECHNICAL SKILLS

Programming Languages

Java, C++, C (Arduino/ESP32 firmware)

Embedded Systems

Arduino, ESP32 - hardware interfacing, sensor integration, microcontroller programming

Office Productivity

Microsoft Office Suite (Word, Excel, PowerPoint) - Expert Level

Cybersecurity

Fundamentals of cybersecurity - completed three certified online courses

PROJECTS

Laser-Based Data Transmission System | Sukkur IBA University | 1st Semester - 2025

- Designed and built a hardware system that transmits data using a laser light beam.
- Programmed the microcontroller in C language for signal encoding and decoding.
- Awarded a Certificate of Achievement by the university for this innovative project.

CERTIFICATIONS

- Certificate of Achievement - Laser-Based Data Transmission Project | Sukkur IBA University (2025)
- Microsoft Office Specialist - Short Course Certificate
- Cybersecurity Fundamentals - Three Certified Online Courses (Recent Completion)

LANGUAGES

- Urdu - Native | Pashto - Native | English - Proficient (Academic and Professional)
